

Continuity of practice opt-in form

ACCA has developed a search tool to enable members in the UK and Ireland to find firms prepared to provide continuity of practice arrangements. The search tool can be found in the 'find a firm' directory on the ACCA website.

To participate in the scheme your firm must contain at least one ACCA practising certificate holder. To confirm your agreement to participate in the scheme please return this form to authorisation@accaglobal.com.

ACCA is unable to recommend specific firms and will not get involved in drawing up continuity of practice agreements. A [factsheet](#) about continuity of practice arrangements and copies of ACCA's model agreements can be found on the ACCA website. Members are strongly recommended to seek independent legal advice when drawing up a continuity agreement. The agreement will be legally enforceable upon the parties. It is, therefore, important that all parties are clear in their understanding of their responsibilities under the agreement, and that the document records accurately all matters agreed by the parties. Further advice can be obtained from Technical Advisory on 0207 059 5920 (UK) or +353 (0)1 498 8907 (Ireland).
